1st International Meeting
on New Drugs
in Breast Cancer

Dear Colleagues and Friends,
 It is with great pleasure that I invite you to the 1st International Meeting on New Drugs in Breast Cancer which will be held in Rome on 17-18 April 2009.

New exciting developments have occurred during the last few years that opened new perspectives for a better treatment of our patients. The Scientific Committee and I will focus our attention on these new important clinical updates.

The Scientific Programme of the Meeting will include topics on Target Therapy, on Chemotherapy and on Hormonal therapy. The programme was designed in the pursuit of excellence and all lectures will be presented by an international distinguished outstanding faculty which will report all their experiences and developments.

It has been decided to hold the meeting at the Regina Elena National Cancer Institute, which is one of the Centre of Excellence for cancer research in Italy.

The meeting will take place in the beautiful city of Rome, the weather during the month of April is usually warm and extremely pleasant and I am sure there will be plenty opportunities for a unique and enjoyable stay in our city.

Egregio Professore,

ho il piacere di informarLa che nei giorni 17 e 18 aprile 2009 si terrà il **“1st International Meeting on New Drugs in Breast Cancer”** .

Il Meeting, del quale alleghiamo una bozza del programma, si svolgerà a Roma presso l’Istituto Regina Elena – Centro Congressi Bastianelli, e vedrà la partecipazione di circa 200 studiosi e specialisti anche stranieri.

In considerazione dell’importanza scientifica, Le saremo profondamente grati se volesse concedere al Meeting il Patrocinio dell’Associazione Italiana di Oncologia Medica.

Sicuri della Sua sensibilità perché questa nostra richiesta possa essere esaudita, La preghiamo di gradire i sensi della nostra profonda stima e riconoscenza.

Prof. Francesco Cognetti
